In the event of serious illness, major surgery, pregnancy complications, or serious accident involving a member of the immediate family, in which the teacher's presence is necessary and the teacher has no PTO days remaining; however, the teacher has accumulated sick days in another public school corporation of this state, and the teacher is in at least his/her second year at West Central, upon the teacher's request, up to 15 sick days, of which the teacher was entitled in his/her last employment, will be transferred.

PTO days accumulated by a teacher prior to a leave of absence shall be credited to the teacher upon return. A teacher who was previously employed by the School Corporation shall have all accumulated sick leave or PTO not transferred to a different school employer reinstated immediately upon their return to employment for the School Corporation. This provision shall be applied to a teacher who returned to the School Corporation at the beginning of the 2022-2023 school year and remains employed on the date of ratification.

PTO days may be taken in one-half day units.

The Superintendent may require verification from a physician of an illness, incapacity, injury, or quarantine if the use of PTO extends beyond five (5) consecutive days. In the event of a planned absence lasting more than five (5) consecutive days, a teacher may request prior approval of the Superintendent.

PTO days may not be used solely to extend a vacation break.

Section 2. Worker's Compensation Leave - A teacher who is absent from work because of injury received on the job receives regular pay from his/her accumulated sick leave the first five (5) days (chargeable against PTO leave). After the first five (5) days the teacher will be paid by the School Corporation the difference between Worker's Compensation and his/her regular pay.

Section 5. Sick Leave Bank.

A. Purpose:

The purpose of the sick leave bank is to relieve its members from undue financial burdens due to absence from work on a long-term basis due to illness, injury, or incapacitation.

B. Eligibility for Use of the Bank:

1. Any West Central School Corporation teacher or administrator who has contributed days is eligible to participate in the Sick Leave Bank.
2. Teacher or Administrator has met criteria as outlined in the Teacher Handbook.
3. Upon return to work, the participant shall repay the Sick Leave Bank for days owed (number of days borrowed minus number of days contributed) at the rate of three (3) days per year. If a member retires, resigns, or for other reasons leaves the corporation before repaying the Sick Leave Bank, the debt shall be waived.

C. Composition of the Sick Leave Bank:

1. The number of days contributed will continue to accumulate until approximately two hundred fifty (250) days are credited to the Sick Leave Bank.
2. The annual enrollment period for accepting voluntary membership in the Sick Leave Bank shall be the first thirty (30) days of the school year, or the first thirty (30) days following the ratification of this contract, whichever is later.
3. The Sick Leave Bank will initially be formed through voluntary participation and by voluntary donations, with written authorization of two (2) full days by participating members. After the first year of membership in the Sick Leave Bank, a participant need only contribute one (1) personal illness day before the ratification of this agreement or PTO after the ratification of this agreement (if contributions are required) to remain a participating member in the Bank. If a participant desires to return to the status of a participating member after withdrawing from membership in the Sick Leave Bank, that teacher shall contribute two (2) days in the first year after returning to membership.
4. PTO days donated to the Bank by a participant are considered a permanent contribution to the Bank and may not be withdrawn or transferred to another school corporation.
5. If, at the start of the school year, there are approximately two hundred (200) days in the Sick Leave Bank, there shall be no contribution except for the repayment of days, contributions by participants returning to membership, and contributions by new members.
6. If, at any time, a member of the Sick Leave Bank desires to withdraw from the Bank, he/she shall write a letter to the President of the WCCTA requesting such withdrawal. Upon receipt of the letter, the President shall immediately notify the Superintendent's office of the withdrawal, which will then become effective immediately. The enrollment period at the beginning of the next school year would be the next opportunity for this teacher/administrator to rejoin the Bank.
7. In the event that the total number of days in the Sick Leave Bank should drop below thirty (30) days, each member of the Bank shall be assessed an additional PTO day in order to rebuild the Bank. If at that time a member has no remaining PTO days, he/she shall be exempt from this assessment.
8. PTO days may be donated to the Sick Leave Bank by a retiring teacher at the teacher's discretion.

D. Sick Leave Bank - Administration

The Sick Leave Bank shall be administered by a Committee of five (5) members – one appointed by the Administration and four by the Association. All terms of service will be two (2) years.

6. Requests to donate days shall be made on the official forms provided by the Committee.
7. The decision of the Sick Leave Bank Committee shall be final and may not be grieved

 - a. PTO days previously accumulated by the individual must be exhausted before Sick Leave Bank days may be granted.
 - b. An eligible participant, or authorized designee, shall make written application to the Committee for leave under this provision. Said application shall be accompanied by a physician's certificate stating the nature, possible length of absence, and prognosis of the teacher's condition.
 - c. No more than thirty (30) sick leave bank days will be granted to a teacher in one school year.

Section 6. Disability Leave - This policy shall apply to leave in all cases where a teacher is unable to teach because of a disability. Such disability shall include, among other items, disability arising from surgery, physical illness, mental illness or emotional disturbance, causing a disability for more than three (3) weeks, but not pregnancy or childbirth.

Where disability can reasonably be anticipated, as in the case of a scheduled operation, the following rules shall apply:

- A. The teacher requesting leave shall notify the Office of the Superintendent of the expected time of leave as soon as reasonably possible.
- B. The leave shall begin no later than the date the teacher's attending physician determines and shall end no earlier than at a time a teacher's attending physician determines. The School Corporation may require a statement by the physician on these medical questions.
- C. The leave may commence and terminate at the end of any grading period and extend for a period of up to one (1) year; said teacher shall notify the Superintendent in writing of the intention to take such leave and, except in the case of emergency, shall give such notice at least thirty (30) days prior to the date on which the leave is to begin.
- D. The leave shall not exceed twelve (12) months, except the School Corporation may grant additional special leave beyond twelve (12) months at its convenience to coordinate the return of the teacher with the commencement of the next semester of school.

Section 7. Pregnancy Leave.

A teacher who is pregnant shall be entitled, upon request, to a leave of absence for a period commencing at the time of physician certified pregnancy through one (1) year following the live birth of the child, subject to this section. A teacher that anticipates giving birth to a child during the regular school year and desires to use PTO leave days in addition to a disability leave shall make the request known, in writing, at the time a disability leave is sought.

Section 8 . Extended Leaves. Teachers are encouraged to commence and terminate such leaves to coincide with the end of grading periods but they may extend for any period as set forth in subsection A. The teacher should notify the Superintendent in writing of the intention to take such leave as soon as possible and shall give such notice at least thirty (30) days prior to the date on which the leave is to begin, except in case of medical emergency. Such notice shall also state the time of intended return to teaching, or of the fact that the teacher does not intend to resume teaching duties. In the case of a teacher desiring to extend his/her leave, he/she shall make such request to the Superintendent in writing, no less than twenty (20) teaching days prior to the scheduled termination of leave, and it may be granted, but in no case shall the leave exceed one (1) year. In the case of a teacher desiring to return prior to the scheduled date, then he/she shall make such request to the Superintendent in writing and it may be granted. In the case of a teacher not intending to resume teaching duties, the notice shall set forth the effective date of the teacher's resignation; the teacher shall then be eligible for use of PTO and to continue the insurance as provided for in Article VI, Section 6, to the effective date of resignation.

Section 9. Provisions Governing Teachers Not Intending to Return to Teaching After Leave. In the case of a teacher who does not intend to resume teaching duties with the School Corporation after expiration of the required leave:

1. The notice of request to take leave shall set forth the effective date of the teacher's resignation.
2. The teacher shall then be eligible to use accumulated leave as provided for in paragraphs A and B above and to continue the insurance as provided for in Article VI, Section 6.
3. In the event of a teacher taking leave leading to resignation, if the teacher is "over credited" with PTO days, the adjustment shall be made at the time of the taking of leave, either by "deducting" such accumulated PTO days from the teacher's accumulated credits or, if necessary, in the teacher's final pay on a per diem basis.

Section 10. Paid Parental Leave. In addition to other leaves set forth in this agreement, a teacher will be entitled to up to five (5) days of paid parental leave within 1 year of the birth or adoptive placement of the teacher's child.

Section 11. PTO Leave Accumulation. PTO leave shall not accrue for a school year when the teacher was not actively employed. For teachers who were not actively employed the entire school year, credit for PTO leave shall be credited on a twenty-five-percent-per-term basis, with eighty percent of the school days in any term constituting a full term. Recognizing that PTO leave is "credited" to the teacher as of the first day of the Fall term, if this policy necessitates "deducting" PTO days, such adjustment shall be made in the school year of the teacher's return to teaching. A teacher shall accrue a maximum of 110 PTO days, and forfeit any remaining unused days at the end of each school year. Teachers who accrued

more than 110 PTOs days prior to the ratification of the this contract shall be grandfathered in and maintain said PTO days. A teacher may have the option to donate any days over the 110 day maximum to the Sick Bank.

Section 12. Court Leave. The corporation shall grant a teacher time necessary to serve on a jury or to respond to a subpoena/court order when school related. The teacher shall be paid the difference between the jury duty pay and full teacher compensation.

Section 13. Family and Medical Leave Act. In accordance with Federal Law, the provisions of the Federal Family and Medical Act (FMLA), 29 U.S.C. 2601 et seq., shall apply to all employees of the School Corporation who have worked for at least 1,250 hours over the previous 12 months. All FMLA leaves are subject to FMLA laws, regulations, and school board policies.

Section 14. Summer School Leave. When a summer school teacher must be absent from work, the cost of the substitute teacher shall be paid by the School Corporation. Teachers employed as such during summer program shall be eligible to use PTO on the same basis as it is used during the regular school year.

Section 15. Attendance Incentive.

Professional Development Days will not count as days absent.

All benefits received for Attendance Incentive days shall be paid within 30 days following the end of the 1st and 2nd semester. Staff members are responsible for submitting a claim form to Payroll to exercise this option.

A staff member who has accumulated more than one hundred ten (110) PTO days has the opportunity to sell back to the corporation any days beyond one hundred ten (110) at \$50 per day

ARTICLE VIII - Severance Pay

- A. **Severance (Non-Retirement).** Severance pay shall be granted to teachers who cease their employment with the West Central School Corporation in an amount equivalent to twenty-five dollars (\$25.00) for each accumulated PTO leave day.
